Mrs. D. R. Brown, of Deckerville, is at present visiting friends in this place.  
A big cut in albums at the Exposition Bookstore. Call and look them over.

We are pleased to notice Martin Menery-around again after his recent illness.  
Peter Jones was called to Canada Tuesday, on account of the death of his mother.

Ira Kilham, of Almont, visited with his daughter Mrs. Alex. Braidwood one day this week.

Any quantity of lime on hand and for sale at all times by John Saunders, Brockway Centre.

Rev. Mr. Morden, of London, Ont., is making T. H. Parkinson and other friends in these parts a visit at present.

Peck will celebrate the glorious fourth on July 3rd. A good program is prepared and all are invited to take part.

A number of our citizens took in the baseball games between Detroit and Chicago at Detroit on Monday and Tuesday.

W. H. Wear & Co. will not be under sold on anything in their line. Give them a call also read their change of adv. in this issue.

J. W. Lovelock at Brockway, is under the little maple where he keeps constantly on hand all kinds of fresh and salt meat. Give him a call.

We received change of ads from Anderson & Co. and A. & E. O'Leary but on account of being received too late will not appear until next issue.

Pool & Deval's agricultural implement dealers are still at the front having sold five binders within two weeks. Notice their change of ad. in this issue.

Doty & Keeler calls the attention of the Exposition readers to the celebrated heretics pants and overalls in a change of adv. in this issue. Be sure and read it.

C. A. Wells & Co. Pharmacy is the place to buy pure drugs at prices lower than any other reliable house in the city. They have a new adv. in this issue which you should not fail to read.

Mr. Gillis, of Old Brockway, was called last week to Ottawa to see his brother who is at the point of death. He will return home by Bay City where Mrs. Gillis has been enjoying a pleasant visit for the past two weeks with her daughter, Mrs. Welch.

The Lexington Woolen Mills want all the fine wool in St. Clair, Sanilac and Huron counties for which they will pay the highest price. Their facilities for doing custom carding, spinning, etc., cannot be excelled in the country. Read their adv. in this issue.

Our genial and amiable friend, Dave Brown, is not by any means "chickened" hearted but to the contrary. One day last week, while at Geo. W. Waring's at work, he noticed a poor little chicken distressed and not likely to live. He took the bird into his arms and administered it comfort in time of need. As might be expected the chicken soon got well.

At the special school meeting on last Monday evening it was decided to sell the old school property and to purchase a school site on land owned by Levi Morrill opposite the west end of Mechanic-st. It was also voted to build a new brick school house. A graded school district was organized and the following trustees elected, H. F. Leonard, Levi Morrill, Jr., J. B. Francis, Wm Strong and Jos. Effrick. We are pleased to see so much completed and hope at the next meeting, which will be held soon, that suitable plans and specifications will be decided upon for a building plenty large enough to accommodate the rising generations and not be obliged to add to in after years.

Chas. Emery and mother, of Almont, were in town over Sunday.

Miss Elliott, of Grant Centre, is visiting with Phil McEugall at present.

Fred A. Baker, of Port Huron, made a flying visit to friends in this place on Monday.

Mrs. R. R. Bailes and son, of Vassar, are at present visiting W. D. Wear and family and other friends in this place.

Miss May Dismore, of Port Huron, visited with Miss Ada Lugdin and her many other friends in this place over Sunday.

Be sure and attend the M. E. S. S. excursion to the delightful grove of Abernethy, Moore Town on the Canada shore, to-day (Thursday).

W. L. Wear, Will Brown and Henry Turner left on Monday for a short visit to the sunny South. They will visit several parts of Tennessee before they return.

A. E. Jackson will give a grand opening ball in his hall in this place on Monday evening, July 5th. All are invited to come and enjoy a fine time. First-class music and a good supper.

Chas. Snider our station agent brought to this office on Monday two stalks of wheat which he picked from Jas Keyes farm at Brockway which measure six feet long. Mr. Keyes has a whole field just like it.

W. H. Palmer has moved his family to his farm east of here for the summer. He intends moving his house from where it now stands in the rear of the store, back to the west end of his lot, facing the M. E. church.

Rev. Ira LeBaron and family returned home last week from their visit to Wisconsin and occupied the pulpit in the M. P. church on Sunday evening. We are glad to see the pleasant face of our pastor again in our midst.

Our old friend Gustavus Kimball, Professor in the Commercial Department of the Ohio Wesleyan University, Delaware, Ohio, with his family are visiting Mr. and Mrs. Robert Guy and many other friends in these parts at present.

Frank Brooks found his colt in Dr. O'Brien's barn at Lexington one day last week. Frank valued the colt very highly as it is well bred and worth over \$200. He has evidence against certain parties who took the colt and intends making it warm for them.

C. F. Michaels has cards out announcing a first-class Fourth of July Ball in his new hall on Monday evening, July 5th to which all are invited. There will be good music and you can expect a nice time. Dancing in the hall all day. Don't fail to attend.

Frank Holden, of Ludington, is visiting his parents Mr. and Mrs. Jas. Holden at present. He has secured a more desirable situation at Inlay City where he will go on his return. We are pleased to hear of Frank rising in the business in which he is engaged and wish him all manner of success.

Remember that Brockway Centre intends to celebrate the "glorious fourth" on the 5th this year in good style. Posters are out containing the races and other sports and all who attend can depend on it they will enjoy themselves. A sufficient Marshal force will be in the village to keep everything quiet.

The drama rendered by the Brockway Centre Amateur Dramatic Company at Lexington last Friday evening was well received by the citizens of that place. We are informed that all players of their parts better than they did here and that the laughable farce "How to pay the Rent" brought the house down. The receipts amounted to over \$40.

The Sunday School Institute to be held in the M. E. church in this place Tuesday and Wednesday, June 29 and 30 promises to be a very interesting affair. Many able and talented speakers will be present and much benefit may be derived from the meetings. All should take enough interest in the promotion of Sabbath School work and attend each day and evening.

Jas. Ferguson and ye editor took a drive through the country Sunday morning and found crops badly set back by the frosts and cool evenings we have had this spring. May will be a very light crop and the prospects for small grain is anything but encouraging. The fruit crop promises to be rather fair. There are some fine farms in this vicinity as you will find anywhere in Michigan.

The Alba Heywood combination made its first appearance in this village at Central Hall, Monday and Tuesday evenings to fair and appreciative audiences. We can say for Mr. Heywood as a character impersonator he has but few if any equals. The program included many pathetic and humorous characterizations, which were well rendered and received. The "Cuckoo" and "Laughing" songs were fine, and "Samantha Allen" and "Silly Billy" threw the audience into convulsions of laughter. Another very pleasing feature was Mr. Davis' flute and piccolo solos. The company is composed of as fine a lot of gentlemen as you will find in a day's travel. This combination has made a host of friends here, and when they return on the 5th of July will play afternoon and evening and we are confident they will be greeted by a full house.

## OUR TRIP TO SOUTHERN WISCONSIN.

On the 10th of May we (Ego, consort and the namesake of the great apostle to the gentiles) started on a journey for some five or six hundred miles to Southern Wisconsin. All travelers and explorers as well as historians should ever take this journey within the boundaries of facts.

Chicago and Grand Trunk Railway—This railroad stretches away from Port Huron, Mich., to Chicago, Ill., through some of the handsomest and most desirable country you could desire to set your eyes on. It is one of the great thoroughfares from east to west and vice versa. Its road bed is good, its coaches elegant and its trains make good time. It costs you some \$8.00 or more for less than 400 miles travel to Chicago. The country passed through is rich, beautiful and promising. All along the road the land seems highly cultivated and abundant in fruit trees of all kinds which you see literally loaded with blossoms and which make your mouth water for the rich golden fruit which will be by and by. Vegetation is very forward and luxuriant in its early growth.

Important places.—You pass through some of the most important and beautiful places in going over the Chicago & Grand Trunk Railway from Pt. Huron to Chicago. Such as Lapeer, Flint, Lansing, Battle Creek, South Bend, etc. Lansing, the capital of Michigan, with its picturesque surroundings, presents its fascinating charms to the observing eye. Flint is one of the loveliest towns in the state. Smaller places also have their merits and attractions. And thus we see that "culture's" land has scattered verdure o'er the land. South Bend is in fact a complete city of working men, who number about 10,000 with their nice, cosy cottages so near alike that you would think they were straggled from the same mould. They manufacture the Oliver chilled plow, so extensively used throughout the country.

Chicago, at length you reach the great central metropolis of the west. Not perceptibly less wicked since the illustrious evangelist Sam Jones labored there, although his labors were crowned with commendable success. You notice that the socialistic and communistic party from distant places have subsided and chaos is reduced to order by the wise and timely action of the city authorities. Chicago is one of the greatest railroad and business centers of this country. If its virtue were equal to its size it would be a power for good. Wipe out its 10,000 or 15,000 liquor saloons and it would not only be a great relief, but wonderful help to the elevation and happiness of its teeming hundreds of thousands.

Wisconsin, Gov. Rush, of Wisconsin called out the militia and thus put an end to strikes in Milwaukee in a hurry. Governors of other states might do the same thing. Wisconsin's Gov. may yet be president of these United States. Gov. Dix, of N. Y., said "shoot the first man that hails down the American flag." Who did not say shoot Jeff Davis in petticoats or hang him on a sour apple tree? Summary justice should be taken from each of these communists, anarchists and socialists. Wisconsin is a grand state and its people with a few exceptions are intelligent and industrious and consequently successful and prosperous. It is desirable to drop into the association of old friends and relatives again and call up the sweet and cherished memories of the past, and thus to live the best of life over again. You thus feel that the Gods are propitious and you are happy.

A Happy Family  
Circle is the greatest blessing of our civilization, but such a thing is not possible when disease and death lurk on the threshold. One of the most important matters to be attended to, is that the Liver and Kidneys are in a healthy condition. Parnee's Dyspepsia, Diabetes, Kidney and Liver Cure will prevent and cure all these difficulties with great certainty. Large bottles \$1. Sold by C. A. Wells & Co.
